

Disclosure of the Code of Conduct

The Company has made the Code of Conduct available on the Company's website so that stakeholders, such as customers and partners, can learn about the Company's Code of Conduct. Additionally, if there are any violations, complaints can be made through the specified channels.

This shall be effective from February 26, 2025, onwards.

(Approved by the Board of Directors' resolution on February 26, 2025)
